Mrs. Joseph Parnham Heads Club Section for Second Year; Report Given on Winning of State Award

Combining fun and food with the more serious business of installation of officers and the discussion of future policies, the International Affairs section of the Arcadia Woman's club brought to a close a most rewarding year, when it met last Monday morning at the home of its chairman, Mrs. Joseph C. Parnham, 615 West Longden avenue.

Mrs. J. E. Ronstad, district chairman of international affairs for the greater Los Angeles area, installed the 1956-57 officers, following an interesting business meeting, held on the poolside terrace. Serving for the second year as chairman will be Mrs. Parnham and Mrs. Oscar M. Chagnon, as vice-chairman, will be in charge of programs. Mrs. A. R. Foy, secretary and treasurer, and Mrs. Wayne Jones (Tommie) as hospitality chairman complete the roster, with the press chairman to be chosen in the fall.

Mrs. Ronstad congratulated the section on winning the state award at the convention at Berkeley in May. Mrs. Daniel J. Slattery, who had accepted the award at that time, called attention to the present issue of California Clubwoman in which the Arcadia club group received considerable praise for its outstanding work this past year.

Mrs. Slattery read in part from the article written by Mrs. Charles T. Butler, state chairman, international affairs. "Pacific Beach, Fowler, Sunland and Arcadia are names to conjure with in the record of International Affairs department for the year 1955-56. Because of a tight timing schedule the awards given them at the state convention could not be presented with even the briefest of outlines concerning the work which won them this recognition. Believing that their stories will prove an inspiration to us all, your state chairman gives the following details."

World Affairs

Of Arcadia, the article continues, "The Arcadia club's department offered the membership a far-ranging approach to world affairs through intensely interesting section meetings — Argentina through the eyes of a Catholic priest there throughout the Peron and church crisis; the Middle East dilemma presented by a member of one of the nationalities involved, Europe as of now by a club member and traveler, Women of the Orient by the state chairman, and two sessions on world trade.

"Throughout there was the study of the GFWC International Affairs booklet in order to correlate federation ideas and bibliography with what speakers offered. Study was lightened too by an international buffet supper (with and for husbands), a flower show entry featuring the national origins of each display as related in a federation outline.

"Another unique activity was chosen from the department booklet list "Suggestions for Individual Responsibility"—that of individual members inviting a foreign-born member of their community to attend church with them.

Gift

Mrs. Francis B. Lull, retiring vice-chairman, presented Mrs. Parnham with a gift from the group, thanking her for her leadership and devotion to the section.

Mrs. Lawrence Kelley, who has accepted the post of chairman of international affairs for the Junior Woman's club, was introduced and assured of continued support for the Juniors' many worthy projects. Also, recognized was the president-elect of the Senior club, Mrs. Archie L. Wilson, and a prospective member, Mrs. Gordon Simpson, who came as the guest of Mrs. D. Foy.

A delicious potluck luncheon was served in the patio and was followed by swimming.

'The Tree' Theme Used for Literature Section Installation

Literature department of the Woman's Club of Arcadia recently installed its officers for the coming year at a potluck luncheon, which was held in the lovely garden of the Samuel J. Nock home on Foothill boulevard.

The setting for the installation appropriately featured the theme used by Mrs. John Ross, the installing officer, "The Tree," as the group convened under the spreading branches of the beautiful oak located in the patio.

Mrs. Ross likened the chairman to the tree trunk, which relates all parts to each other; the vice-chairman in charge of programs to the tap root, effecting stimulation through its programs; the recording secretary to the fruit on the tree; the corresponding secretary to the limbs of the tree, the hospitality and the sending messages, and the treasurer to the or life blood of the and unseen, but without the tree would have no life. Each officer was presented with a corsage of pink carnations, the club's flower, which came from the garden of the retiring chairman, Mrs. Lyman Vollintine.

Woman's Club Takes Interest in Center

Mrs. Archie Wilson, president of the Woman's Club of Arcadia, last week told the City council that the club would be interested in a community building if the council was considering one. She suggested that it could be similar to the Civic Center building in El Monte, which is used as a meeting place for civic and service clubs, and for larger gatherings.

Mrs. Wilson explained that the club's interest was aroused by the drawing of an imaginative building which was included in the design for the new administration and police facility.

WOMAN'S CLUB OF ARCADIA HEADED BY MRS. WILSON

Mrs. Archie L. Wilson, new president of the Woman's Club of Arcadia, has chosen as her theme for the year "Advancement Through Unity, Diversity and Dignity." Her plans for the year are to maintain the high level in cultural and civic activities which have been the club's objectives since it was first organized.

The business plans of the program include special attention to reducing the mortgage and with possible renovations of the stage and auditorium.

The club anticipates an outstanding year with Mrs. Wilson at the helm. With her background of business experience, a keen insight of human nature and a gracious manner, the coming year promises to be one of the most enjoyable and progressive years of the club.

The history of the Arcadia Woman's club is an interesting one. It was organized at the turn of the century when Arcadia was a setting of pastoral tranquility, unpaved streets, fields of waving grain, apricot and peach orchards and widely scattered ranch homes. The social organization known as the Co-Operative Areadians, was interested in civic affairs, culinary affairs and social enjoyment.

From this organization evolved the Woman's Club of Arcadia in 1914. Club meetings were held in the homes, the Presbyterian church and the city hall.

Arcadia Club's Fall Fashion Tea Will Benefit Student Loan Fund

ARCADIA—A fashion tea will be presented by the Woman's Club in the gardens of the John Gregg home, 270 W Orange Grove Ave., Wednesday. Mrs. Archie Wilson, new club president, will make her first official appearance at the event.

Guests will be seated at tables under the pergola as models promenade around the pool and patio.

Benefits Loan Fund

Proceeds from the tea will go toward the student loan fund as well as for other club philanthropies.

Arcadia's Woman's Club wasn't always known by that title. Back when the city was largely comprised of scattered ranch homes, fields of grain, and peach and apricot orchards, a group calling itself The Co-operative Arcadians was founded. Its interests centered about civic affairs, culinary practices and social entertainment.

Club Evolves

In 1914 the Woman's Club of Arcadia evolved from the earlier unit. Members met in their homes, in the Presbyterian church or at City Hall, as conditions permitted.

The club's interest in books and education led to establishment of the first lending library here. It continued until 1920 when the present library system was instituted by the City Council.

Other activities inaugurated through enthusiastic sponsorship and endorsement of the women's unit were the Arcadia Historical Society and the San Gabriel Valley Junior Symphony Orchestra Association.

Quarters Erected

The club launched its building program in 1930. The clubhouse was dedicated July 30, 1931. A solarium was added in 1941-42 and a new building fund was set up in 1953.

The club was incorporated in 1930. It now has eight organized departments to serve its members' varied desires and participates in 21 federation activities.

The club maintains membership in the County, District, State and General Federations of Woman's Clubs.

Unusual Electrical Demonstration Planned for Garden Section Meeting

Demonstration of an electronic range which cooks by microwave—baking a cake in four minutes and a potato in five—will provide an exciting event for members and guests of the Garden department of the Woman's Club of Arcadia at the regular meeting on Wednesday. "How to Live Better Electrically" will be the subject of the program which is scheduled to start at 1.

The women will meet at the clubhouse at 11:30 and a short business meeting will be conducted by Chairman Elizabeth Verhoef. Ladies are asked to bring a sandwich. Coffee will be served.

The unusual demonstration will be co-sponsored by the Southern California Edison company, which is conducting a widespread campaign to show home-makers how to "Live Better . . . Electrically," and the Tappan Stove company, manufacturer of the revolutionary new range.

After sampling the electronically prepared food, the concensus of the club women is expected to be that the extreme speed of microwave cooking retains the natural moisture and flavor of foods to an amazing degree. Meats are juicy and favorful; vegetables keep their "garden-fresh" taste.

Economist

The demonstration will be conducted by Lorraine Ray, Edison home economist, and Rod Fetzer of Tappan. Mrs. Karl Stephens will be program chairman.

It will be explained that the electronic range cooks by "activating the energy in the food, itself." In addition to the example already cited, the new range will broil bacon on a paper plate in two minutes, cook a five-pound beef roast in 30 minutes, heat a jar of baby food in 45 seconds, a roast turkey at three minutes per pound—instead of the usual 22 minutes. Coffee may be heated directly in the cup, in a matter of seconds, with the cup and saucer remaining cool.

There's music in the air . . . and it will reach a gay crescendo on Thursda ning, Oct. 25, when Conductor Harold Scott lifts his baton to signal the opening San Gabriel Valley Symphony orchestra's "Pops" concert. Arcadia Junior Woman is this year sponsoring the opening concert for the first time, and for the firs also, the orchestra will be presented at a new location, the beautiful Mission Play in San Gabriel, which will provide a handsome setting for the pretty frocks that worn by the Juniors for this gala musical event.

Conductor Scott has arranged a program of light-hearted music for the initial concert in the orchestra's current season, and there will be magnificent blending of voices and orchestra when Deane A. Tack conducts the San Gabriel Valley Symphonic chorus in a group of beloved Sigmund Romberg melodies.

Arcadia Juniors are making a concerted effort to encourage attendance at the opening performance in order to acquaint as many people as possible with this really fine orchestra which is such a wonderful cultural asset to the entire valley. Admission to the concert is free.

Orchestra

The San Gabriel Valley Symphony orchestra is entering on its busiest season with five concerts and three oratorios scheduled in addition to this opening "Pops" program. Mr. Scott, who teaches orchestra and harmony at Monrovia-Duarte High school, founded the orchestra 29 years ago and has conducted the group continuously ever since as it progressed from a small chamber music group to an orchestra of 90 accomplished musicians, and one of the valley's chief cultural assets. Mr. Scott is a vice president of the American Symphony league and one of the country's most respected conductors.

All the orchestra's concerts are without charge, being supported by the County of Los Angeles, the cities of Arcadia and Monrovia, the San Gabriel Valley Symphony Association, Inc., and by public donations. arden Section Opens Year With 'Home' Program

First meeting of the Woman's club, Garden and Home department, opened the season with a good attendance and much enthusiasm for the year ahead. While the department will still stress garden pleasures and problems and put on the annual spring flower show, the additon of programs concerning the home have brought new members into the group.

The first program was a demonstration of the Tappan electronic range, through the courtesy of the Southern California Edison company with Jerome Craig, residential consultant, introducing Harry E. Harris of the Tappan Stove company, and Miss Lorraine Ray, home economist of the Edison company.

One of the ranges had been installed on the stage, where the audience watched the many different foods prepared by the amazing microwaves in such a short time. A potato was baked in 20 seconds, packaged frozen foods cooked right in the package, retaining all their natural color and flavor. It was the privilege of members to taste a steak broile in what seemed "no time at al and to inspect all the other

Wally Simmons of Mrs. Simmons Pastry shop revealed some of his "tricks" in creating beautiful cakes for any occasion, including Hallowe'en, Thanksgiving, Christmas, Father's Day, as well as special events and juvenile birthdays. He answered many questions on decorating problems of the average homemaker as well, and it is anticipated that many a "home baker" in the audience will be trying her hand at cakes during the coming holidays—or perhaps "letting Wally do it."

During the business session of the evening, announcement was made of officers and chairmen to serve for the coming year. They are Mmes. Earl C. Towsley, chairman, Keith Hagberg, vice-chairman in charge of programs; Robert Titgemeyer, recording secretary; Gene Clarkson, corresponding secretary; C. R. The financial report of Treasurer Mrs. Neiderhaus covered the summer business and the proposed budget for the coming year, which was adopted by members. Mrs. Kercheval reported on the Christmas project coming up, which is the furnishing of gifts of either clothing or toys for 200 half-orphans of the San Gabriel Valley area. Her committee has completed the purchasing of sweaters, shirts, toys and material for skirts for the teen-age girls. Many of

It was also voted to make the group a patron of the San Gabriel Valley Symphony association, which gives concerts free of charge during the winter season at Monrovia Duarte high school. Announcement was also made of the fatc that one of the evening department members, Mrs. Sally Manley, will play the lead role in "The Merry Widow" to be given in November by the newly-formed Light Opera association.

November Meeting

Juniors to Aid Family Through Needlework Guild

Mrs. J. H. Fulgham, philanthropy chairman for Arcadia Junior Woman's club, has announced that the Juniors will again have the privilege of helping clothe a local needy family this year. The Woman's club of Arcadia has chosen Mrs. Wayne W. Jones of 546 Arbolada drive as chairman of its newly formed International Hostess department. It was expressed by club members that her vivacity and warm friendliness make her an ideal choice.

The new department will have as its responsibility the encouragement of harmonious cooperation between women of our nation and guests from other countries. It is the hope of the department to build the kind of understanding on which any enduring peace must be founded, through personal contact and in an atmosphere of confidence.

Mrs. Jones and her committee will encourage and stimulate home hospitality and entertainment of those leaders, teachers and students visiting in this country who are official guests, members of affiliated clubs in other lands, refugees, or any foreign born who have few or no friends.

The club feels that such a department will spread the conviction that the United States is an enlightened, strong and democratic power deserving the full support of other free nations.

Junior Club Committee to Aid Gift Project for Mentally Ill

Members of the mental health committee of Arcadia Junior Woman's club are assisting the Mental Health Foundation in its project to provide Christmas gifts for every patient in the four State Mental hospitals in the area—Camarillo, Patton, Metropolitan and Spadra. There are some 5000 people in these institutions, some of whom may not otherwise be remembered at Christmas.

Mrs. John L. King, mental health chairman for the Junior club, has announced that she and her committee will pick up and deliver to the foundation any contributions the citizens in Arcadia would like to donate. Residents may call HIlcrest 7-5394, or gifts and contributions may also be sent directly to the Mental Health Foundation at 636 South Westmoreland avenue, Los Angeles.

"The forgotten, lonely, mentally ill need your hand of friendship and your generous thought, now more than ever," Mrs. King reminded. "A gift package costs $2.50—or gifts of candy, cigarettes, hose, cosmetics, toys, or any kind of inexpensive items will help the patients to know that they are remembered. Such knowledge is often of great value in helping the mentally ill toward recovery," she said.

Evening Department Carries Out Christmas Plan for Half-Orphans

"Operation Santa Claus" is a project of the Evening department of the Woman's Club of Arcadia for the sixth consecutive year. To provide toys and clothing for the half-orphaned children who might so easily be forgotten at Christmas time is the principal aim of the club group, a program that is worked at not only at Christmas but throughout the year.

This year through the leadership of Mrs. James Kercheval, philanthropy chairman, and her committee, Mrs. R. W. Titgemeyer, Mrs. Thomas Kemp and Mrs. Earl Towsley, the group has provided for 183 boys and girls. The gifts range from plastic blocks and dolls for the little children to flannel shirts for the teen-age boys and made to measure skirts and sweaters for the teen-age girls.

A very heartfelt "thank you" has been given to other Arcadia club groups who have contributed their time and efforts in making this project such a wonderful success.

Again this year the 4-H girls under their leader, Mrs. James Thompson, and their president, Karen Wingo, made 15 skirts. The Horizon Girls with their president, Sue Christy, furnished 15 silk scarfs to be worn with the skirts and sweaters.

Friends and members of the department gave of their time to make the colorful skirts for the teen-age girls. These include: Mrs. Evelyn Bosworth, Mrs. Timmy Petersilge, Mrs. Virginia Anger, Mrs. Eileen Niederhaus, Mrs. Mollie McDowell, Mrs. Olive Hagberg, Mrs. Dorothy Lindley, Mrs. Raylene Winchell, Mrs. Marjorie LeRay, Mrs. Virginia Messick, Mrs. Nelda Christie, Mrs. Marie Johnson, Mrs. Frances Hellman, Mrs. Virginia Shelley, Mrs. Elizabeth Verhoef, Mrs. Norva Martin, Mrs. Bea Slover, Mrs. Clara Slattery, Mrs. Arlene Watson, Mrs. Mary Ragains and Mrs. Thomas Kemp.

The evening department has thanked all those kind Arcadians who have come to the aid of these children through appeals in the newspaper and direct contact.

Junior Woman's Club Members Given Hints on Christmas Decor

In keeping with the holiday season, a program on Christmas decoration was presented at last week's meeting of Arcadia Junior Woman's club. The club's annual Christmas party followed the meeting.

Giving the program was George Peckham, whose avocation is commercial Christmas decoration. Assisted by his wife, Mary Ann, and Mrs. Richard Rowles, Mr. Peckham gave the juniors many tips on the art of tree decoration. Mrs. Peckham and Mrs. Rowles trimmed a silver-tip tree while Mr. Peckham commentated and explained how many of the beautiful effects in professionally decorated Christmas trees are achieved. Done in red, silver and white satin-tone balls, the tree was truly a lively creation with its tiny winking lights and tinsel pompoms.

At the close of his talk Mr. Peckham read a stirring Christmas story beside the lighted tree in the darkened room, which was an inspiring finish to a highly interesting program.

As a climax to the evening, Santa, portrayed by Tom Sherlock, distributed the Christmas gifts. Mr. Sherlock, who has been "Santa" for countless organizations and parties for 38 years, was perfect in his role and made the party one the juniors will remember for a long time.

At the business meeting, conducted by Mrs. Robert Kidd, president, guests were introduced. These included Mrs. Archie Wilson and Mrs. William Adams, president and vice-president, respectively, of Arcadia Woman's club; Mrs. William Gibbs, coordinator, and Mrs. L. J. McCourt, past junior president.

JUNIOR WOMAN'S CLUB MEMBERS ON TELEVISION

Arcadia Junior Woman's club members were guests on the television program, "It Could Be You," on Dec. 18, and the program was kinescoped to be shown on Christmas Day. According to the format of the show, several members were surprised by the recounting by Bill Leyden, master of ceremonies, of embarrassing incidents that had happened to them. A committee within the club worked for weeks with the writers to gather the needed information.

It could be—and it was: Mrs. Wade Burchell, who was reminded of her days in the East and the snow. She was placed in a sleigh while an artificial snow storm descended upon her. Mrs. Richard Carlson, was surprised to hear of her troubles in redecorating her home. She was presented with a metal helmet to protect her head next time she paints her house. Both women received lovely prizes for their participation.

Reunion

In the reunion quiz, Mr. Leyden called Mmes. Charles Coulter, Edward Schaar and Robert Kidd to the stage and gave them hints as to the identity of a person behind a curtain. All they knew was that it was someone who meant something to one of them. It was Donald Jaquith of Malinas, New York, Mrs. Kidd's brother, whom she hadn't seen for eight years. Although the audience was in on the secret, it was a complete surprise to Mrs. Kidd.

Also on the program were Mrs. Richard Kramb and Mrs. George Enslinn. All who were shown on television were awarded personal gifts, while the club received a beautiful set of stainless steel flatware.

Mrs. Archie Wilson Presides at First Meeting of Year for Club

First meeting for the new year was held by Arcadia Woman's club last week, with Mrs. Archie Wilson, president, officiating and welcoming the guests. Business of the meeting covered the treasurer's report for 1957, announcements concerning woman's clubs' tree-planting project, and the Round Robin card tournament, as well as revision of the club's by-laws.

Program of the afternoon was presented by "The Diplomats" of the Big Four, a quartet whose gay bit of badinage and gentle satire on international conferences added sparkling entertainment to their excellent quartet singing.

Mrs. Alan W. Langlois, federation secretary, made announcement of the tree project, stating that through the contributions of the club, 1000 trees would be bought and planted in areas damaged by forest fires.

...med Correspondent to Discuss World Picture at Woman's Club

John Morley, named correspondent, will be guest speaker Wednesday at the Woman's Club of Arcadia when the annual Civic Day is observed. His subject will be "My Eye-Witness World Report . . . Uncensored." An invitation has been extended to Mayor Don Camphouse and the councilmen and other civic leaders to be guests of the club that day.

Mrs. Archie Wilson, president, will welcome members and guests. Mayor Camphouse will bring a brief review of city affairs during the luncheon period. Charles Anderson, president of the Arcadia School Board, will speak as will Claire Charles, executive secretary of the Arcadia Red Cross.

Luncheon will be served promptly at 11:30 a.m. and will be followed by the program.

Mr. Morley will bring an optimistic world report from 20 trips to the hot spots of the world . . . four trips around the world in the past six years, including Russia, Palestine, Cyprus, Algiers, Kashmir, Indo-China, Indonesia, Formosa, Korea and the borders of the Iron Curtain in Europe and Red China.

Optimistic

In the advance statement to the press, Correspondent Morley said "I cannot recall a single period between my first beat abroad in 1931 to the present, when I observed as many optimistic signs for peace and the containment of Communism as exist today. This does not mean that we are free of crisis or conspiracies, or that the Free World can afford to drop its guard, but I saw many hopeful signs and changes which did not exist on previous trips. In my talk I will reveal eye-witness proof for my optmism based on: The growth of Christianity behind the Iron Curtain . . . demoralization of world-wide Communism since the deflation of Stalin, decline of colonialism, U.S. nuclear contributions for peace, economic rehabilitation of the Free World . . . increases of escapees from Iron Curtain, rise of Russian Army against Communism, Red China contained at Formosa Straits, and many other signs.

Mr. Morley, and his global report, will highlight exclusive interviews with such world personalities as Churchill, Eden, Bulganin, Zhukov, Adenauer, Nasser, Nehru, Magsaysay, Chiang-Kai-Shek, Syngman Rhee and others.

State International Chairman Addresses Arcadia Junior Club

Mrs. Robert G. Lunche of Monterey Park, International Relations chairman for the California Federation of Woman's Club Juniors, was the speaker at the last meeting of the Arcadia Junior Woman's club. Introduced by Mrs. Lawrence Kelley, International Relations chairman for the Arcadia club, the speaker gave an inspiring talk on our relations with other countries.

Mrs. Lunche came to this country from El Salvadore to study, and stayed when she married a United States citizen. Explaining briefly her job as state chairman, she then told members some interesting facts about her native country and related her experiences as hostess to many woman leaders from other lands. Many Projects for Mental Health Sponsored by Junior Woman's Club

The Arcadia Junior Woman's club, under the direction of the Mental Health chairman, Mrs. John L. King, has climaxed its active mental health work for the year by enrolling in the sponsor parent plan for emotionally disturbed children who will receive help at Hathaway Home for Children. Through this contribution the Junior will help the trained staff of Hathaway give these troubled and emotionally disturbed children the understanding care and expert guidance which they so desperately need. Hathaway's 27 children were remembered at Christmas time with personal gifts; and bedding, toys, records and books were also supplied for the recreation rooms.

The highlight of the year was successful Dr. Donald McNassor lectures on adolescent behavior that the Arcadia PTA council sponsored. This ended a two-year effort . . . last year of raising the money making the lectures possible, and this year serving as organizer, ushers, hostesses and selling at cost 80 pamphlets that are made available through the Arcadia Mental Hygiene society.

Through the suggestion of the PTA council and the Juniors the Arcadia library has ordered a number of books recommended by Dr. McNassor for appropriate readings that answer problems for adolescents and for adults to better understand the adolescent.

A contribution was made to the Arcadia Child's Health clinic enabling the clinic to provide electroencephalogram for five children on the waiting list.

The mental health program has been varied. The Juniors assisted the Mental Health foundation in its project to provide Christmas gifts for patients in Camarillo, Patton, Metropolitan and Spadra Mental hospitals. An urgent last minute request for money for Christmas gifts for the Porterville State Mental hospital in Northern California was met. A donation of many boxes of [illegible] and toys material and clothing were sent to Metropolitan State hospital and Pacific State hospital.

Dr. Portia Bell Hume, deputy director of the State Department of Mental Hygiene, suggested at a meeting attended by Mrs. King that the first steps that can be done to help combat the nation's number one health problem . . . mental illness . . . is education, and support of all legislative measures that will provide money for mental health services. This has been the goal of the Arcadia Junior Woman's club mental health program.

Mrs. Garcia Caines Discusses Hobbies at Local Club Meeting

"We forget ourselves and our problems when we are interested in something vital to us," Mrs. Gracia Caines, well-known composer of children's songs told members and guests of Arcadia Woman's club evening department at the last meeting. A "hobby" is one part of her 3-H Club for mothers which also includes "health" and "home." There are vast possibilities and challenges to hobby, she said. "Write out the five things you like to do best to find your hobby."

Mrs. Caines went on to tell how the composition of a little poem to a toy giraffe to amuse a little boy on a rainy afternoon opened up a whole new world to her. She said that music is a nice hobby because you give it away to other people, and she closed her program by playing and singing some of her delightful children's songs. They aptly demonstrated her remark that children love humor and melody.

Mrs. Earl Towsley conducted the business meeting which was opened by an inspirational reading by Kathryn Dennis. Honored guests were Mrs. Archie L. Wilson, president of the Woman's club, Mrs. Robert Kidd, president of the Junior Woman's club, and members of the Junior club. A nominating committee of Virginia Anger, Gail Langlois and Peggy Moore were elected to prepare a slate of officers for the coming club year.

Next meeting will be the final play-off in the bridge and canasta tournament. The April 11 meeting will include a demonstration of hair styling by the Vanity Fair Salon.

Hostesses for the evening were Bett Marriott, Frances Hadady and Bea Hill. Other guests were Mrs. Larry W. Fesler, Barbara King, Peggy Schaar, Jean Clark and Betty Gagnon. Members present were Mrs. J. W. Scheuer, Mrs. Robert Dennis, Mrs. K. A. Hagberk, Mrs. Jack Moore, Mrs. Alan Langlois, Mrs. Bert C. Schaar, Mrs. Robert Hill, Mrs. R. E. Hadady, Mrs. W. M. Arcadia Junior Woman's Club Ge... Letter From Doctor in Laos, Due to 'Magazines for Friendship'

Magazines for Friendship, a project of the Junior Women's clubs, CFWC, is a program adopted by the Juniors to help spread good will and democracy throughout the world. The Arcadia Junior Woman's club takes an active part in the program and as a result of this last week a most interesting letter was received from the Kingdom of Laos from Dr. Thomas A. Dooley, head of a four-man team.

After graduation from St. Louis University Medical school he joined the Navy and found himself part of a small medical unit enroute to Haiplong, North Viet Nam. In 1954 the famous exodus of North Viet Nam began when more than 600,000 sickened, diseased and beaten people fled the horrors of Communism by way of Haiphong on the China border, in Viet Nam. They were transferred to Saigon by US Navy ships. Dr. Dooley was the medical doctor transferred to a huge refugee camp in Haiphong at that time. He wrote a book from this experience called "Deliver Us From Evil."

He returned to the U.S. and resigned from the Navy after fulfilling his time and returned to the Orient, this time to the Kingdom of Laos.

With the money he received from his royalties and three volunteers from the Haiphong Navy group he formed his own unit. The USN transferred the group there although they were civilians and President Ngo Dinh Diem flew them from Saigon to Vientiane, the capital of Laos. Many large organizations in the United States outfitted them with medicine.

Letter

In part, the letter reads: "I don't know any of you. And I am equally sure that none of you have ever heard of me. But I owe you a little gratitude and have sat down on the floor of my hut of a house on stilts, with an empty C ration crate for a desk and shall try to explain my thankfulness of this portable.

"If you pushed a pin through a globe, into California, it would come out half way around the world . . . very close to where I am just now. I am on the China border, three miles north of the Kingdom of Laos, on a straight line north of Bangkok. This little piece of north Laos sticks up between Communist Wa states of Burma, and the Communist Pathet Lao State of Phong Saly, bordered on the north by China. All three of these areas are accessible within a day's hike.

"I have a four-man medical team. I am the doctor, and there are three ex-Navy corpsmen with me. We are entirely on our own and have set up a small hospital here (50 mats—who needs beds?) and are running a clinic for the tribes here who have never seen an American, rarely a Caucasian and absolutely never a doctor, other than their own, witch-variety.

We are working under the auspices of the Royal department of Public Health which consists of one doctor—he is also the minister. There are two million people scattered through these mountains, in large and small villages, and outside of the minister, I'm their only doctor.

Hospital

"We've been here six months and have a fine little hut of a hospital on stilts painted Kelly green on the inside. The U.S. Embassy flies three and a half hours north of the capital to us each 10 days and drops mail sacks . . . and sometimes lands on a dried rice field . . . and visits.

"We are not missionaries in any sense; we are just four young guys who believe that it is better to get out and light one candle, rather than sit home over a beer and curse the darkness.

"Yesterday's plane brought a man from the United States Information Service loaded with what is usually termed "propaganda" but is really just picture-windows and walkie-talkies of America. And amongst this we found four huge boxes of magazines. So for the past couple of hours I've been thumbing through Life magazines all the way back to '53, and enjoying it immensely. Thanks, Arcadia Junior Woman's club, for giving your magazines for Friendship."

Dr. Dooley in closing says that he hopes he can come to Arcadia and thank the club personally for their friendship magazines when he returns to the United States.

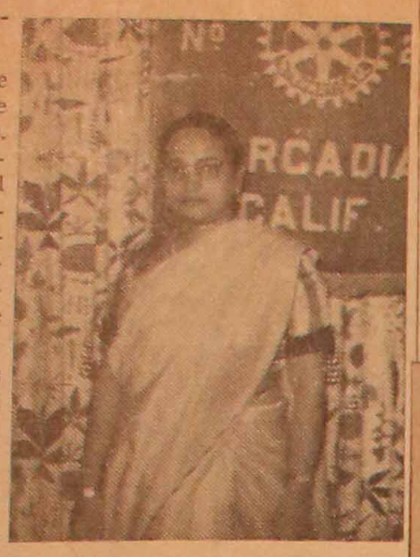
Visitor from East Pakistan Feted By Club Group at Tea at Frazer Home

Dr. S. F. Sadique of East Pakistan, a visitor in Arcadia last Friday, left a delightful impression wherever she appeared. As a guest of the International Hostess department of the Woman's Club of Arcadia, she was taken on sightseeing trips and was guest of honor at a tea at the home of Mr. and Mrs. James Frazer of 600 North Old Ranch road. At noon, Dr. Sadique was welcomed by the Arcadia Rotary club, at its luncheon meeting stay.

Dr. Sadique is a guest of the State department for a three months stay in the United States. Through the International Hostess department of the National Federation of Women's clubs, clubwomen provide escort for any visiting women from foreign countries, show them the sights of interest and acquaint them with the people.

With Mrs. Oscar Chagnon as escort, Dr. Sadique was taken on a visit of Bullock's Pasadena, a large market and Caltech, later returning to Arcadia and the Frazer home for the tea.

Mrs. Frazer was assisted by Mrs. Alby Foy and Mrs. L. V. Shepherd. Presiding at the tea table were Mrs. Archie Wilson, Woman's Club president, and Mrs. Robert Kidd, Arcadia Junior Woman's Club president. In the absence of Mrs. Wayne Jones, International Hostess Department chairman, the visitor's day was arranged by Mrs. Joseph Parnham, chairman of the International Affairs department.



DR. S. F. SADIQUE
. . . from Pakistan

At the Rotary Club luncheon the visitor was amazed and thrilled at the discussion of international affairs presented by students from Arcadia high school. It was the first time that she had ever had such an experience, she said, "that of young people analyzing the world's situation while older men sat and listened with deep interest."

Dr. Sadique enthralled her listeners at the tea. East Pakistan, she said is 1-15th the area of the entire area of Pakistan and provides all of the wealth of the beautiful country. She is a graduate of the University of Calcutta in India and received her Ph. D from the University of London. She lectures on Arabic and Islamic history.

She was impressed with the beautiful orchids that grow in the Frazer greenhouse and also the peacocks, which originally came from India. Lucky Baldwin made a trip to that country to bring back the birds for his Santa Anita rancho.

The visitor was the evening guest of the Chagons who later took her back to her hotel in Los Angeles. While in Los Angeles Dr. Sadique also visited Disneyland and television studios, St. Sophia's Greek Orthodox church, the Catholic cathedral and the Catholic church on the Plaza where Los Angeles was founded.

Woman's Club's Evening Department Reads Reports of Successful Year

The Evening department of the Woman's Club of Arcadia, under the leadership of Mrs. Earl Towsley as chairman, has completed a successful year with philanthropic and civic projects that are satisfactory to the 31 active members in the department. The report was read recently at the Woman's Club meeting and was read Monday at the state convention in Pasadena.

The most important project of the department is the annual Christmas program — supplying gifts for 183 children ranging in age from six months to 18 years. These boys and girls are half-orphans of Los Angeles county and reside in foster homes in the San Gabriel Valley.

Forty cotton dirndl skirts were made by members of the department, with other members of the club and 4-H club girls assisting. These were matched with cardigan sweaters. Other children received footballs, wallets, dolls, flannel skirts and a variety of toys. The Christmas philanthropy costs the department approximately $400.

Throughout the year the group is called upon to help supply necessities for these children. So far this year it has given two teenage boys' suits of clothes and the accessories, a bicycle for a girl and a pair of glasses for an older boy.

The department also gave 150 candy canes and 50 tooth brushes to the Arcadia White Christmas project, and made surprise balls filled with small toys for the Methodist hospital gift shop.

The annual White Christmas dance at the Altadena Town and Country club was a gala affair as well as a profitable one. The $1,000 realized enabled the department to complete the project of furnishing a four-bed room at the new Methodist hospital in Arcadia.

A swim luncheon and card party was held last summer as a ways and means project for the different philanthropies and the proceeds of a salad bar luncheon and card party on May 2 at the clubhouse will be used for the half-orphans.

Husbands are included in the social affairs and always enjoy the swim and steak barbecues, potluck dinners and cards at the clubhouse. A Country Daze party and a dinner dance is being planned for May, and something new will be held this month.

Many of the group have given time and effort in soliciting funds for the Red Cross, Community Chest, Sister Kenny, March of Dimes and Cancer drive. The group has participated in the Penny Pines project, is a patron of the San Gabriel Valley Symphony orchestra, $10 was given to the Arcadia Children's clinic, $50 was donated to the Senior club's high school scholarship fund.

Arcadia Woman's Club Stages Flower Show, Mrs. Verhoef Wins Sweepstakes

One of the outstanding and successful events of the spring season was the annual flower show of the Arcadia Woman's club given May 9 in the clubhouse. More than 450 entries were received and besides Arcadia other cities represented were Monrovia, Temple City, Glendora, Pasadena, San Gabriel and Alhambra.

Mrs. Edward Verhoef, chairman of the garden department, was sweepstakes winner. She received a silver tray as club prize, also the handsome trophy presented by the Chamber of Commerce. Mrs. Verhoef's name joins those who have been winners in past years, and the trophy will shortly be displayed in the new case in the lounge of the Woman's club. Taking second place was Mrs. Russell Lucas, while third place went to Thad Brown.

The lounge was the background for the creative displays planned and executed by the various departments, including the music, arts and crafts, literature and evening groups. First award went to the international affairs. The tea table setting included the new silver service recently presented the Senior Woman's club by the Junior club, in use for the first time. Mrs. L. K. Campbell was hostess, assisted by Mmes. Edward Verhoef, Freemen Gates, Louis Ashley, Robert Wingo, Lloyd Hatch, George Castle, Archie Wilson and William Adams, incoming president.

Patio

The stage, planned and executed by Mrs. Verhoef, depicted a patio complete with barbecue, table and chairs, with life-sized figures placed in attitudes of preparing and serving an outdoor meal. The solarium had an interesting display from the arboretum, as well as the plants-for-sale tables. Several new ideas in presentation were used, among them the use of polished abalone shells set on a background of black velvet enhanced the camellia specimens. The uniformity of vases and containers for other specimens added a great deal of charm to the scene.

Judges of the department displays were Lloyd Bass, Louis Arnold and Dwight Young; potted plants were judged by Mrs. Quinn Buck, James Canfield and George Spaulding; cut flowers, Gordon Lloyd, Kenny Kay and Mrs. D. Armstrong; flower arrangements by Mrs. Margaret Carrick, Mrs. Paul Franzell and Mrs. Paul Berger.

The judges were entertained with a luncheon at Eaton's, with Mrs. Charles Johnson, show chairman, Mrs. William Adams and Earl Stephens, co-chairmen, as hostesses. The committee received the praise and congratulations of the several hundred persons who enjoyed their presentation of "Western Living."

Arcadia Woman's Club Will Aid In Kenny Drive

Clubs and organizations of Arcadia are enthusiastically lending their support to the Sister Kenny Foundation's annual fund drive this month. Arcadia Woman's club has now joined the ranks, it was announced today. Mrs. R. A. Young, of 357 West Duarte road, has been appointed Sister Kenny chairman for the group.

Contributions at the half-way mark are lagging and volunteers are doubling their efforts to reach the minimum campaign goal of $450,000. All funds raised here stay here and are used for maintenance and operation of the Sister Kenny Memorial hospital and rehabilitation center in El Monte. All who can be benefited are admitted, regardless of race, creed, age or ability to pay, but the all-encompassing service can only be maintained providing the public lends is support.

"Everyone in this area is invited, and should make a tour of this 'little oasis' as one of the patients calls it, where not only the best and latest in scientific treatment and methods is available, but tender, loving care is administered —which, in some instances, is the one thing that turns the tide and creates once more in one disabled with some crippling disease, the will to carry on," Mrs. Young stated.

Those who have not been contacted by a Kenny volunteer may send contributions to Sister K[enn]y Foundation, Los Angeles 51.

[S]tudent From Thailand Talks To Club Group

Members of the Arcadia Woman's Club International Affairs department enjoyed a most interesting morning on May 22 at the clubhouse with their young speaker, Choc Chai Bulakul, a native of Thailand, a student at Mt. San Antonio college, and previously at Cornell university, studying genetics. Bulakul hopes to return to his native land to teach the application of modern farming and breeding methods to his people.

So often one thinks of Thailand or Siam as a vision of beautiful temples and lovely dancing girls. However, the department members were given a most interesting picture of the economic and socialistic background, and a realistic description of the problems facing Thailand which is completely surrounded by communistic or pro-communistic countries.

A delicious kaffee klatsch was served by Mrs. Oscar Chagn[on] program chairman, a[nd] Wayne Jones, hospitality c[hair]
